

# 2024 USA Summer Internships

May 20 - July 26, 2024

## One Mission Society Overview

By God's grace, One Mission Society (OMS) unites, inspires and equips Christians to make disciples of Jesus Christ, multiplying dynamic communities of believers around the world. OMS partners with more than 200 organizations and denominations for one purpose: to see the Gospel of Jesus Christ spread throughout the world, with the greatest number of disciples made, and to see God glorified in all that we say and do — to fulfill the Great Commission. This has been, is, and always will be our One Mission.

## Internship Overview

Our internship program is carefully designed to be a catalyst toward a deeper understanding of God's heart for the world and how we can make an impact on that world through Him. We are searching for Christ-centered individuals, especially those with a desire to use their gifts to make Jesus known around the world.
